Viewline Snowmass Resort Celebrates First Full Winter in Snowmass

This 2022-2023 winter season the Viewline Resort Snowmass celebrates its first full winter of operations. Since last winter, the resort has completed its renovations and launched new guest programming. Viewline Resort Snowmass, situated directly on Snowmass Ski Area and just above the Snowmass Mall, provides guests access to a complimentary ski-in/ski-out concierge, making it even easier to get on and off the mountain. The resort recently debuted its new suites, each situated slope-side with stunning mountain or village views. The spacious, luxurious suites feature rustic wood detailing, mountain-inspired décor, and luxe bedding and linens. Lupine Spa, now fully open, spans 3,650 square feet and is inspired by the resort's alpine setting. Its inhalation therapy bar will become available this winter season offering 15-, 30-, and 45-minute oxygen sessions to assist with acclimation to altitude. This winter, the resort will also launch its Lupine KidsZone, an immersive kids club for little adventurers ages 5-12.
